## **Community**

**Greenwood, SC** is a beautiful community of 30,000 located in the northwestern part of SC nestled amidst many gorgeous lakes and rolling hills. Recreational activities abound including golf, tennis, watersports, hunting, cultural performances and more. Greenwood has been recognized as a Top 50 “Best Towns in America” and has over 200 miles of lake shoreline. We also host the Festival of Flowers, named one of Southeast Tourism Society’s Top 20 Events. Greenwood is located only an hour drive to several metropolitan cities as well as being within two (2) hours to the mountains and Atlantic beaches. We have an excellent public and private educational system with a technical college and a university. Greenwood, SC is a place where safe and easy family living come first.

## **Opportunity**

This great opportunity creates the best of both worlds, allowing you to work as a hospital employee while in a private practice setting. You can build a satisfying practice without the hassle of running an office or developing a patient base or billing insurance. We are seeking general BE/BC internist to fill this position. The physician would be set up in an outpatient practice.

## **Hospital**

**Self Regional Medical Center** is a 414-bed regional referral center providing a wide range of comprehensive inpatient and outpatient services. A 224-bed patient tower opened in August 2006, and a dedicated, state-of-the-art cancer center opened in 2011. The hospital is also home to a 27-resident family medicine teaching program. Self Regional was named one of the world’s “Great Workplaces” by the Gallup organization for four consecutive years, and HealthGrades® honored Self with two consecutive Outstanding Patient Experience Awards,™ which ranks the hospital among the top 10 percent in the nation for excellence in patient satisfaction (2009-10 and 2010-11). Self also captured the South Carolina Governor’s Quality Award in 2011, the only recipient of the highest award in South Carolina for outstanding achievement in the development and implementation of quality management systems. The medical staff is comprised of more than 200 physicians representing 40-plus specialties and subspecialties. The hospital houses a 10-bed ICU that admits major traumas, surgeries, acute respiratory problems, and high-acuity patients. The CCU, also a 10-bed unit, admits non-surgical myocardial infarction patients and other non-surgical cardiac patients. The CICU has 10 rooms and provides highly-skilled, quality care to adult and geriatric, preoperative and postoperative cardiac surgery patients and post-coronary intervention. Self Regional is also home to both the South Carolina Joint Center and the South Carolina Spine Center.

**Self Medical Group (SMG)**, the not-for-profit physician affiliate of Self Regional Healthcare, provides a team of family physicians and specialists, nurses and specially trained staff, all working together for a patient’s health. We provide access to advanced diagnostics and specialty services, and the resources of the area’s largest healthcare provider – a complete network of care. SMG has more than 100 physicians and 20 practices.
